SOFTWARE DEVELOPER

EXPERIENCE SUMMARY

I am a Software Developer with 2 years of professional experience. Proficient in a range of modern web frameworks, I have a keen understanding of crafting dynamic and responsive web applications. My expertise extends to freelancing, where I have successfully developed and deployed numerous projects for local clients, demonstrating a commitment to delivering high-quality solutions tailored to their specific needs.

PROFESSIONAL EXPERIENCE

Auraska Infotech | *Nairobi, Kenya*   **May 2023 – Sep 2023**

Software Development Intern (Odoo)

During my on-site internship at Auraska, I collaborated closely with the technical team to deliver tailored solutions and enhancements for diverse client projects. Some key highlights of my contributions include:

- Crafting custom solutions for optimizing the Odoo Inventory module, effectively mitigating overstocking issues by implementing automated adjustments when products fell below predefined thresholds for a particular client.
- Implementing customizations to enhance the functionality of the Odoo Purchase module, enabling automated calculation of landed costs for purchases from international vendors.

Technologies Employed/Enhanced: Python (Odoo), PostgreSQL, JavaScript (OWL)

EDUCATION

Kabarak University	| Bachelor of Science in Computer Science
Holberton School (ALX)	| Software Engineering
Udacity (Nanodegree)	| AWS Cloud Developer

TECHNICAL SKILLS

- **Languages/ Tools:** Python, JavaScript, C, Firebase, Figma, Linux, Java, SQL, MongoDB
- **Libraries/ Frameworks:** NextJs, Django, Flask, FastAPi, NodeJs, TailwindCSS

SELECTED PROJECTS

Siambi Resort Website
Link to Project: https://siambiresort.com
I collaborated closely with Siambi Resort management to craft a visually captivating and user-friendly website, seamlessly blending aesthetics with functionality. I successfully translated their vision into a digital reality, enhancing their online presence and customer engagement. Resulting in a significant increase in client traffic and bookings, driving business growth and success.
